Honorable LeRoy Collins
Governor of Florida
Tallahassee, Florida

Dear Governor Collins:

Mr. Cribfield, Secretary of the Governors' Conference, has just kindly sent me a copy of the resolution adopted at the recent Conference and has been good enough to say some kind words about my participation at the Conference.

I wish to express to you my sincere appreciation for the opportunity you gave me of being present at the Conference and for the occasion it furnished me to meet with so many of our Governors. While my work is largely focused on the foreign field,

I look forward with pleasure to the opportunity of calling on you as I visit Florida quite frequently, generally to get relaxation from the rather constant grind of work these hectic days in the international field.

Again with thanks and kind regards, I remain
